

HELLO RECRUITER!

UI/ UX DESIGNER

Hello, I am  Loan, graduated from Graphic Design at FPT University. I am a sociable, enthusiastic and responsible person. In my work, I always focus on teamwork and individual spirit. I can help connect, communicate and convey information to my colleagues in the most effective way. With the spirit of hard work and eagerness to learn, I love to be creative, especially discovering new and crazy things. I am just an ordinary person, but I want to create extraordinary things!
